

Bariatric Toilet

Product Code: BAR

Bariatric Toilet WC Pan

Product Code BAR

- Stainless steel white powder coated Bariatric toilet, internal bowl and trap not powder coated.
- The Bariatric toilet is designed for disabled and heavy duty use.
- Supplied as either back to wall for a concealed cistern, or back to wall with a top entry connection for exposed cistern and flush pipe.
- It is manufactured from 2mm thick stainless steel and tested to 1000 kgs.
- Fully compliant with latest water flushing regulations.
- The Bariatric toilets are specified and used by clients of many local authority occupational health departments.
- The large base combined with wall and floor fixing make this Bariatric toilet very secure.
- The bariatric toilet is shown with optional Big John toilet Seat.

Delivery

- From stock usually 3 to 5 working days.

Options

- Back or top entry flushpipe connection.
- Big John Seat and Cover (load tested to 500 kgs).
