Combination Drinking Fountain (WRAS Approved Tap and Bottle Filler)

Product Code: WH-DFBF

Combination Drinking Fountain (WRAS Approved Tap and Bottle Filler)

Product Code WH-DFBF

Stainless steel drinking fountain with WRAS approved tap and swan neck bottle filler with rounded front safety edge. This elegant wall mounted design ensures you will meet the requirements of the water byelaws, provides a cost effective source of hydration, and ensures your users are protected from harm from sharp edges and corners. Please ensure that these are drained down in cold weather to avoid damage to the bubbler.

- Wall mounted drinking fountain with both a drinking water tap and swan neck bottle filler.
- Manufactured in one piece from 1.6mm thick grade 304 stainless steel for extra vandal resistance and durability.
- Radius front design to ensure there are no sharp edges or corners for safety.
- Complete with WRAS approved chrome plated press button drinking water bubbler valve (tap) and WRAS approved swan neck bottle filler.
- WRAS is the Water Regulations Advisory Scheme and the water bubbler (tap) and bottle filler has been tested and approved to meet these requirements.
- Supplied with concealed wall mounting bracket and 32mm waste fitting.
- Rear upstand to aid cleaning and protect the wall from splashes.
- Recommended for many applications including schools, colleges and public buildings.
- Tested to 2.0 Bar pressure.

Size

- 305mm wide.
- 350mm front to back.
- 150mm high plus 75mm splash back.

Delivery

• From stock usually 1 to 2 working days.
