

## Outdoor Bottle Filling Station

Product Code: M-OBF

### Outdoor Bottle Filling Fountain

Product Code M-OBF

- Outdoor bottle filler for re-filling drinking water bottles.
- Stainless steel or green powder coated finish.
- The outdoor bottle filling station is operated by a front push button.
- Laminar flow outlet to reduce splashing.
- Requires 6 x AA lithium batteries.
- For lithium batteries the button should last approx. 3000-5000 operations, which for standard bottler fillers works out to be approx. 2-3 years.
- Pre drilled fixing flange with four holes.
- Supplied with ground anchor bolts.
- Rear access panel with security screws.
- The outdoor bottle filler is environmentally friendly providing a fast, convenient way to obtain drinking water, and promotes the use of refillable water bottles.
- Please ensure that these are drained down and isolated in cold weather to avoid damage to the unit.
