

Safety Shower Test Kit

Product Code: S0000-STK

Safety Shower Test Kit

Product Code S0000-STK

- Test kit for the regular testing of emergency showers.
- Regulations state safety showers should be tested on a monthly basis.
- Includes: Test kit extendable handle, curtain ring, test chute and 5 gallon bucket.

Simply lift the handle with curtain ring and chute to cover the safety shower head and position the 5 gallon bucket directly underneath the chute to catch test water. Turn on the water which will collect in the bucket whilst you run the shower.

Delivery

- From stock usually 1 to 2 working days.
