

Solid Surface Stock Wash Trough

Product Code: SWTSS

Solid Surface Stock Wash Trough

Product Code SWTSS

Stock solid surface wash troughs are manufactured from CreaCore, a poured resin bonded solid surface material. The stock solid surface wash trough is a good balance between aesthetically pleasing and practicality. The clean modern design will compliment any wash room area, and has proven popular in many prestigious board rooms and office blocks. The hidden waste keeps the wash trough appearance clean, and reduces regular maintenance and cleaning times. The strength and durability of the solid surface wash trough makes this an ideal solution for busy wash rooms and toilet areas.

Stock solid surface wash trough with rear tap ledge with pre drilled 35mm tap holes per user.

- Wall mounted style supplied with wall fixing studs, we do recommend the wash trough is mounted on a base unit (not supplied by us).
- Available in 1200mm (2 user) and 1800mm (3 user).
- 32mm centre waste fitting in narrow slot channel.
- The trough colour is White.
- The front of the wash trough slopes back to the waste channel.
- Pre drilled single 35mm tap holes per user.
- Manufactured from Creacore solid surface material.

Dimensions

- Lengths 1200mm and 1800mm.
- Front to back 490mm.
- Top to bottom 125mm.
- Bowl dimensions (1200 or 1800mm) 392mm x 67mm.
